Customer Reviews

As a longtime fan of

one-liners, adages, aphorisms, axioms, bywords, comebacks, dictums, maxims, rejoinders, sayings, solutions, truisms, verities, or whatever you want to call them; this book is an absolute treasure trove. Rev. Croft Pentz passed away on July 2, 2008, quite suddenly at the age of 77, after a ministry career of 50 years. He also found time to publish 30 works on sermons as well as this book of Zingers and another "1001 Things Your Mother Told You". This book was a result of collecting Zingers during his lifetime and making them available to whoever had a call to use or think about one. The book claims to have over 6,000 Zingers, and I am sure it has. Though I have many such books in my library I found that they were virtually all brand new to me. I suspect that he may have actually authored many of them himself. In any such book, indexing them, or finding one to suit your purpose, is a difficult task. Rev. Pentz chose to group them under the letters of the alphabet. Being a minister, it is not surprising that there are many on religious themes; but they are mostly on other themes as well. For example there are 56 under the theme "God" and 226 under the theme "Money", 92 under

"Success", 75 under "Failure", 92 under "Wisdom" etc. I'll list one from each of these themes, just to give you an idea of what to expect; God... "It is better to know "the Rock mOf Ages"[than to know the ages of the rocks." Money... "Poverty is a state of mind often induced by a neighbor's new car." Success... "It's better to do something and fail than to do nothing and succeed." Failure... "Failure is one thing that can be achieved without effort." Wisdom...
