Amazing Facts And Beyond

Synopsis

Ignatz award Nomination for Outstanding Collection
Leon Beyond is part John Hodgman, part out-of-date school textbook; is the know-it-all, relentless-fact-baking brain child of cartoonists Kevin Huizenga and Dan Zettwoch. Leon's knowledge was catalogued weekly in the St. Louis Riverfront Times. Amazing Facts and Beyond collects the comic-strip's best and most outrageous moments. Discover the world of optilusors, Robert Skur, dance notation and grooved disc jellyfish. Learn new words and concepts: winkaton or optogenerian. Mark your extreme calendar before you travel to the pancake and eggs nebula. Meticulously un-researched and full of dubious knowledge, Amazing Facts and Beyond is the modern successor to Ripley's Believe It Or Not. Featuring guest contributions by Ted May, and others. Dan Zettwoch is a cartoonist, illustrator, and designer. Dan's work has been published in countless anthologies. His acclaimed first book Birdseye Bristoe was published last year by Drawn and Quarterly. He lives with his wife in St. Louis, Missouri. Kevin Huizenga is cartoonist whose work has been published by Drawn & Quarterly, Marvel, Fantagraphics, Time, Slate.com and many others. His latest book Gloriana was published last year by Drawn & Quarterly. Kevin lives with his wife in St. Louis, Missouri.

Trivia

Customer Reviews

THIS BOOK IS AMAZING! I've been a fan of Dan Zettwoch for a while now and this book is a thick collection of his goodness. So much fun drawing on every page and loaded with FACTS!!!

Sometimes pages are so condensed with information and drawings that they're hard to read, but I

think that just makes me like the book more - it looks like they were just having a blast while making it. Thanks for a really fun book!!!
