Golf Digest's Complete Book Of Golf Betting Games

Synopsis

Net and Gross . . . Nassau . . . the Hawk . . . Amigo . . . the Train Game . . . Second Ball . . . the Umbrella Game . . .
What does it all mean? Recreational golfers around the world thrive on games within games as a way to enhance the golf experience, level the playing field, and, most important, have a lot more fun. Golf Digest's Complete Book of Golf Betting Games lays it all out "every game, every format, and every variation" with a quick-reference glossary of every golf gambling term ever uttered. Organized by chapters for twosomes, threesomes, foursomes, or buddy trips with all the side games, each section is simple to navigate, with helpful strategy tips for each game and a set of clear-cut scorecard instructions.

Book Information

Hardcover: 176 pages

Customer Reviews

This is the second book I've bought on golf games, the first being The Complete Book of Golf Games. I like this book better than the other one because of how it's organized, plus because it covers many more games. It's organized by the number of players, listing possible games that can be played by that number of golfers. When a game is duplicated, they give instruction of where to find the previous write up.

It had been years since I played for "serious" money, but a few week ago I joined a group who were all about making bets and beer. I told them I didn't drink and only bet on the horses or when I was in Las Vegas. They were okay with that, but I was missing out on their fun and the excitement a \$1 or \$10 wager could bring. On the sixth hole (par 4) I drove my ball five feet short of the worst player in

the group. "Come on Stan, \$5 closest to the hole." I caved in and said okay. He hooked well left and I made it to the front of the green. He gave me the \$5 right there and I was hooked (but in control). Anyway I won \$7 and had a good time. Searched for a book on golf betting and bought this. As for the review - not a lot that I wasn't familiar with, but did remind me of much I'd forgotten. The tips are the best. If your an occasional golfer it's worth the read. Regulars probably know most of this already.

This book covers more games than you will ever play. It is organized by size of group, e.g., twosomes, threesomes, etc.. However, it lacks an INDEX for quick lookup of a game that could be in one of several places.
