# Laughter Still Is The Best Medicine: Our Most Hilarious Jokes, Gags, And Cartoons

## Synopsis

This hilarious collection offers up some of the funniest moments that get us through our day, in the form of jokes, gags and cartoons that will have readers laughing out loud. Editors have mined the Reader's Digest archives to bring readers *Laughter the Best Medicine, All-Time Faves*, a collection of the most hilarious jokes and anecdotes we've come across over the years. As you turn the pages of our newest collection, you'll realize once again that laughter is always the best medicine.

• "Did you hear the one about the hitchhiker who never got anywhere? He'd get up early to avoid traffic."  
--Chuck Welch, Houston, TX

• "When my husband was a home builder, his thumb ended up on the business end of a sledgehammer, and our three-year-old daughter, Kiana, was eager to tell the entire world. When her caregiver asked how the accident had happened, Kiana shook her head sadly and said, 'You know, sometimes at work, my daddy just gets hammered.'  
--Stasia Uhlmann, Rocky Mountain House, Canada

• "After one of my students acted up, I took him to our school psychiatrist, who asked if he had ADHD. 'No,' said the boy. 'I just have a normal TV.'  
--Matthew Hughes, Fort Collins, CO

• "I've been told that when you meet the right person, you know immediately. How come when you meet the wrong person, it takes a year and a half?"  
--Comedian Phil Hanley

## Customer Reviews

I don't know if there are characters, but I had to stop reading this book in bed at night if my husband fell asleep before I did because I couldn't help but find something to laugh out loud about on almost EVERY SINGLE PAGE!

I've always enjoyed the humor in Reader's Digest and this brings the best of the animal related jokes together. We are big pet people here (cats, dogs, horses, goats, fish, turtles, etc) so I loved every chapter. One of the best books I've laughed about in a long time!

Good book if you do not have any other humor books to reference. Otherwise this can be a rehash of jokes that have been used for the past 20 years. I personally got about 5-6 new stories/jokes to use in my presentations.

Gave this book to my father for Christmas as he's a long time Reader's Digest fan. He started reading it immediately which meant he was periodically laughing to himself during the rest of the present opening and it was hard to get him to open anything else. So...it must have been pretty good.

I love these Laughter is the Best Medicine books from Readers Digest. I gave this one to my 8-year old grandson and he drove us all crazy reading funny incidents to us. His mother threatened me if I would ever give him another one (and I have 3 more at home). These are great for a quick pick-up and you can read them over and over again. Best bathroom reading ever.

Good to read a few pages at bedtime. I read aloud to my husband and we end the day on a laugh. I grew up with Reader's Digest and still turn to the laugh parts in the magazine first. You can read and re-read this and their other books. They do not grow old. NOT a one time read like many books.

I LOVE reading the "laughter" columns in The Readers Digest so I was delighted when my husband bought this for me! LOL! You'd be laughing too if you read this. It's worth every mirthful penny!

Most of the jokes were not particularly funny. There are several entries that are not even jokes at all - just a few sentences grouped together with no apparent purpose. The real problem is that much of this material was apparently written before America developed a social conscience regarding the treatment of animals. As a pet owner / lover; many of these "jokes" were sadly offensive. Didn't anyone proof read this book before it went to print?
