Customer Reviews

love the new cards and art work.. plus having a new Jerusalem card makes it worth it, the tin is nice to store these cards and maybe some expansion packs in but if you keep a large deck like i do its isnt ideal

Our son is 8 and many of his friends are playing different "card" games. We were pleased to find these cards and there are lessons with it. No concern that it is instilling the wrong ideas, he loves these cards and was just as happy to get them!

We are having fun already with the Redemption Gift Set: Starter Decks and Booster Packs for Redemption Trading Card Game. Product and shipping are very good. I had no problems at all.

the boy really liked them and enjoys them when his friends come by. very nice product and good price thank you
