# DIVORCE: Think Financially, Not Emotionally® Volume I: What Women Need To Know About Securing Their Financial Future Before, During, And After Divorce

## Synopsis

Divorce is an extremely turbulent, stressful and emotional process ... and one during which women must make many important financial decisions that will, for better or worse, impact the rest of their lives, including the division of assets and debt, the marital home, tax liabilities, alimony, etc. Thinking financially is not always easy. But, it is possible, especially if you have some help. Anyone, no matter how savvy, can benefit from expert advice when she is crossing through such treacherous and unfamiliar territory. *Divorce: Think Financially, Not Emotionally*® provides women with everything they need to know to establish a secure financial future for themselves and their children before, during and after a financially complicated divorce. The book guides women on how to focus on vital financial matters, offering specific instruction on a number of key issues vital to securing long-term financial security, including: building a top-notch divorce team uncovering a husband's hidden assets protecting your personal assets, business and intellectual properties dealing with pensions, 401Ks and other retirement accounts negotiating alimony . . . and so much more! Begin your single life knowing you have made the thoughtful decisions required to help establish your long-term financial security. Think Financially, Not Emotionally® as you look ahead to a bright future for yourself and your children. A portion of the purchase price of each book sold is donated to various charities that help female victims of domestic abuse and their children. What People Are Saying About *Divorce: Think Financially, Not Emotionally*® "Divorce: Think Financially, Not Emotionally® is a wonderful guide for women seeking to secure their financial future." --Renowned divorce attorney Laura A. Wasser, whose client list includes Heidi Klum, Angelina Jolie, Christina Aguilera and other celebrities "I wish I had this book when I was going through my divorce! ## Customer Reviews

Divorce: Think Financially, Not Emotionally Jeffrey A. Landers Anyone that thinks divorce is a piece of cake, no sweat or not a problem has either taken something to calm their nerves, is living in world of make believe or not facing reality. Divorce is difficult but the end result is what you make of it and how you work to make sure that you and your children come out financially sound. Anger, loss, betrayal, disloyalties, hate, fear, panic are just some of the emotions and feelings you might feel just learning that your spouse has decided to let's say move on with his life. But, there is help, hope and definitely many support systems out there that a smart, savvy and well-prepared woman can avail herself of before falling down a deep dark pit known as financial disaster. Many women fall into several different traps when they begin the process of landing on their feet and finding their way to financial freedom and independence. When deciding that this is your only route you need to think with your head and your mind and leave those emotions of anger, helplessness, despair and rage somewhere else. You need to be informed, you need to have the right team of experts handling your case and you need to read page 5 of this great resource to help you create a checklist of what you need to know from the start. Your goal or mission and you do choose to accept it is to make sure that when all is said and done you go not remain in this Divorce Rollercoaster or take an elevator ride that goes up and down getting you nowhere but emerge debt free, emotionally sound and of course with your finances in tact. But, first warnings that you must heed first.
