LOVE this book, received it as a gift FROM AUNTY ACID! My friends at work and I read some together (I read the entire thing when I received it), they decided we should save some for another day :) It is hilarious, we laughed so hard we cried.

This purchase was a request from my wife for a friend. They and a few other long time friends & colleagues get together frequently and share stories & laughs. This book seems to fit the bill well for them.

I saw this book while searching for the mugs and thought it was awesome. I am in the process of purchasing the set to place around the house. Funny quotes and even funnier pictures. Great job Ged Backland!!!

This makes such a fun gift; it's really funny, pithy humor, easy to pick up for a 'laugh break'. Have given it for gifts & now have a copy for myself too.

I received several post from friend through my email, thought they were funny, sometime touching, and sometime very true. I bought the book for more of the same reins.

Great Book! If you need a laugh, buy her books, Its good to laugh with all the stress in a person's life. Brightens up a stressful day.. Thumb's Up.

I purchased this for my 92 year old mother for Christmas because she's a fan of Maxine. It's the same type of humor and she loves it!

thank you for sending me the book aunty acid!! I think the books are so funny! I know I will read them over & over again!!
